## FOR IMMEDIATE RELEASE

### **The Carolina Country Club Announces New Ownership and Management**

*New owners and Davis Love Golf Management to provide stability and sense of history to longtime private country club located in Spartanburg, South Carolina.*

**June 3, 2014 (Spartanburg)** – The Carolina Country Club announced that the Club is now under new ownership.

In addition, Davis Love Golf Management (DLGM) has been retained to manage the Club. DLGM was created in 2008 and is headquartered in Greenville, South Carolina. A trusted name in golf course management, DLGM is a full-service management company providing total facility management including operational, financial, accounting, and administrative services. Already onsite, their team has vast experience in managing private clubs across the southeast.

“We are delighted to add The Carolina Country Club to our portfolio of courses,” said Davis Love Golf Management Founder Mark Love. “We are especially excited at the prospect of providing new ideas, as well as making facility and operational improvements at the Club. It is our commitment to provide the very best member experience possible and we will work hard each day to make that happen.”

The new ownership group has immediate plans to make upgrades throughout the property and has already started on several improvement projects. Members and guests should expect to experience upgrades including physical improvements and repairs to the facility as well as improved golf course conditions. “We are incredibly pleased with the purchase of the property and the fact that Davis Love Golf Management has been selected to operate the Club” said Tom Kelly, the Club’s General Manager. “We are confident that the new owner’s commitment to providing service excellence and a quality experience will result in positive changes for our members and guests.”

The Carolina Country Club has also revamped its membership structure and is now offering golf and non-golf membership options for individuals, couples, and families. The Club has also added a membership option designed especially for young members which features lower monthly dues. All golf membership options include complimentary golf cart rentals as part of the monthly dues. #### **About The Carolina Country Club**

The Carolina Country Club offers a spectacular array of amenities, including two clubhouses that are ideal for special events and member functions, a large swimming pool complex, tennis court complex featuring seven Har-Tru clay courts and three hard surface tennis courts, as well as a spectacular golf course complimented by a world-class practice facility. The par 72, 18-hole championship course at The Carolina Country Club was designed in 1984 by local architect Tom Jackson. The course consists of rolling hills, tree lined fairways, and several pristine lakes and streams. With six sets of tees, the golf course can be set up to challenge the highest level of player while still being fun and rewarding from every set of tees. The course played host to the PGA Nationwide Tour’s BMW Charity Pro Am from 2008 to 2012.
